

Intimations 23/8/26

We have now been able to update church email addresses to reflect the westhills-church domain we use on the internet. This means that the email address many of you use to contact me has changed. Please update your contacts. The minister can now be emailed on- minister@westhills-church.org.uk

Next Sunday 30th August Mark Williams will be leading worship. I will still be on duty this in coming week but will be going AWOL next Sunday.

Rainbows, Brownies and Guides resume their activities within Church halls from this coming Monday 24th August.

Our Girls' Brigade company hold an Ice-Breaker evening on Tuesday 1st September from 7pm. Naturally all girls of Primary and Secondary school age are welcome. Please make this known where you can.

From Sunday 6th September we are going to begin the process of checking the accuracy of the church's Communion Roll as required by Data Protection rules. On Sunday 6th September we will issue a form asking for you to complete your name, address, phone number etc. We will also encourage you to bear in mind those whom you know to be a member of the church but who can no longer attend church and, if you can, take a form away for them. All forms can be returned to Roll Keeper Janis Ramage. Janis has a dookit in the church corridor if that is more convenient.

Celebrations of the Lord's Supper will be held on Wednesday 9th and Sunday 13th September.
