

As we find ways to allow you as a congregation to participate in the life of Westhills Church we think it's time we established a Door Duty Rota to welcome everyone in on a Sunday morning. This will be open to anyone who wishes to participate in this way. It will involve a friendly smile of welcome and handing out the printed song sheet. If you want to take part let our Session Clerk Sandra Burt know.

A timely reminder that we always need to exercise good protocols when children from the Out of School Care are using the church halls especially regarding use of the toilet facilities. Please do not use the Ladies or Gents facilities after 3pm when children are in the halls or during holiday club days. This will be the case on Wednesday 18 February, a School In Service day. Please use the Disabled facility or if possible, the facility in the Vestry. This will help to keep you and the children safe. Appropriate signage will be in place to remind you.

Ladies Fellowship meets tomorrow evening at 7.30pm.

I may be hard to contact on Tuesday 3rd February due to undertaking Minister's Safeguarding Training throughout the day.

Probus Club gather on Wednesday 4th Feb from 2pm

Many thanks to all who attended the Service of Union on Thursday evening. It really was quite an occasion for us. Thanks to members of the Working Group for making arrangements and to all who catered for the teas, waited on tables and cleared up afterwards.
