

Intimations 18/1/26

As we find ways to allow you as a congregation to participate in the life of Westhills Church we think it's time we established a Door Duty Rota to welcome everyone in on a Sunday morning. This will be open to anyone who wishes to participate in this way. It will involve a friendly smile of welcome and handing out the printed song sheet. If you want to take part let our Session Clerk Sandra Burt know.

From Monday 19th Jan I'll be taking a week's holiday. I'll be back with you on Monday 26th Jan. Rev Sarah Ross of Moncrieff church will be providing pastoral cover and our Worship leader Mark Williams will be conducting worship on Sunday 25th Jan.

Anyone who wishes to assist on the Flower Committee is welcome to do so. Kay Whitehead and Lorraine Dewar are the ladies to speak to concerning that. If you wish to donate and / or put your name against a particular Sunday please speak to Bill Lennie who looks after the calendar and account.

Elders who are **not** trustees will find a short letter and survey in their dookits today, which can be returned to me at the earliest opportunity. Your responses will help guide the trustees on providing pastoral care to the membership of the church. Probus Club gather in the sanctuary this coming Wednesday 21st January for a 2pm start.

For those who make use of the church website you may wish to note that it can now be accessed under a new internet address which is in print on your song sheet... westhills-church.org.uk

The lectern bible which has typically been in use here is now away for refurbishment and to be inscribed for Westhills Church. It will be back with us in late February and we'll take the opportunity to re-dedicate it for use in worship.

The telephone line at the manse is now fully functioning.
