

Intimations 22/3/26

The Men's Fellowship host an open night this coming Friday 27<sup>th</sup> March at 7.30pm. John Walker is the guest speaker and his subject is "Titanic's Maiden Voyage". Teas and baking will be available too.

Palm Sunday 29<sup>th</sup> March we begin at 10.45am as usual. The Raising of the Crosses takes place immediately following that service and before teas are served.

Maundy Thursday Communion (2<sup>nd</sup> April) takes place at 7.30pm within the sanctuary. A Good Friday service (3<sup>rd</sup> April) likewise takes place at 7.30pm within the sanctuary.

After rearranging furniture in the hall of Fellowship, we've found ourselves with a surplus of books. We hope that you can help us disperse these books to charity shops around the town or even pass on to neighbours or friends or family. There are bags of books in the Hall of Fellowship ready to uplift today.

I have in past weeks I've mentioned the cards at Sheanna's card stall. Today let me highlight the small credit card sized cards from Amos Trust. We've had some especially created for Easter and you are welcome to take one away for yourself or for someone else who might need a little something prayerful and encouraging. Do have a look for them in the Hall of Fellowship.
