

Intimations 29/3/26

Good Morning and warmest of welcomes to this Palm Sunday service.

Immediately following this service, we gather outside for the Raising of the Crosses and then return for teas here in the Sanctuary.

For those who may have joined us more recently the after service teas are entirely by donation. We welcome your donation towards teas but it is none the less a donation and there is no obligation contribute. The costs of the home baking you enjoy on a Sunday morning and Wednesday afternoon is kindly donated to us by those who do the baking.

You will be aware from previous weeks intimations that we have the opportunity to gather on Thursday evening at 7.30pm for our Maundy Thursday Communion and again on Friday evening for the Good Friday service at 7.30pm

I'm glad to confirm the High Point service on Easter Sunday morning is taking place commencing at 7.30am at the Greenhills High Point located behind Greenhills Church building. This service is being arranged and led by St. Andrews Methodist Church who welcome our presence and participation.

Easter Sunday, we gather at 10.45am as usual. And afterward a roll and sausage or roll and scrambled egg lunch will be served. Do allow yourself some extra time for lunch on Easter Sunday.

We are beginning to experiment with live recording of sections of the Sunday morning service; recordings which would be used for the worship posts on the church website. But before we begin making recordings of those who are taking the scripture readings, we do need your consent to do so. We can do that week by week as your turn comes along. You are under no obligation to give consent and you will not be removed from the rota if you choose not to be part of live recordings.
