

Intimations 17/5/26

Sunday 24th May we celebrate the day of Pentecost.

Thursday 28th May the Sanctuary is in use by Duncanrig School for their annual Music and Drama Festival.

The Drumming Group, Drum EK, which meets in our church halls on Wednesday mornings has been lucky enough to be awarded **monies to train** up a couple of **drum facilitators**. It is like an apprenticeship and may last 12-18 months. It will consist of formal training with Village Music Circle Facilitators and mentoring by Lynda Kelly of Drum EK around managing and developing this social model. Whilst in training, a small stipend is paid to the individual. Ideally there is an opportunity for two people, to enter into training. There is potential to turn this into full-time self-employment. If you wish to explore this or know of anyone who might wish to please contact Lynda Kelly of Drum EK email: drumek1@outlook.com
