

A quick reminder that during the summer months we will carry out our annual Fire Drill on a Sunday morning. Please be aware of where Fire Exits are at the rear of the sanctuary and at the chancel. Both of those exits lead to stairs. Leaving the church by the main door may be a quicker route for those with walking difficulties. If you do have walking difficulties, please remain seated when the fire alarm sounds someone will assist you to leave the building. The gathering point is at the car park behind the Westwood shops at the rear of the church building.

Opportunity exists for you to be part of the church bowling team which will compete against the Murray Bowling Club team on Saturday 1st August. If you wish to join the team (no experience required) please speak to Raymond Thomson.

Christian Aid have launched their Venezuela Earthquake Appeal. Donations can be made via the website or can be passed directly to our Christian Aid Coordinator Janet McKay. A link to the appeal can also be found on the church website.
